

Congratulations!

What to Expect?

Firstly, Congratulations on receiving your Gift - We cannot wait to meet you!

Your session will be in our 737-800 Fixed Based Simulator, located at our premises in Churcham on the outskirts of Gloucester. Each of our Flight Experience Sessions are individual to you, so no matter if you have never touched the controls of an aircraft before, we will be there to guide you every step of the way. Or if you are a seasoned veteran, we will be happy to test your mettle with some exciting approaches, routes, or emergencies.

What comes next: If you haven't got a date booked for the experience, you can call or email us to get booked at a time that is convenient for you.
